

How to Apply for Admission

-Dual Credit Students-

If you are currently enrolled at FPC through the Dual Credit program at BHS, then you do not have to reapply.

If you have never taken dual credit courses at FPC, then you will follow the steps below to apply.

1. Go to www.fpctx.edu
2. Click on the link Apply for Admission.
 - This link is located below the Search FPC tab on the homepage.
 - Another window will open with the Apply Texas website.
3. Click on Create your account now.
4. Fill out all of the information that is requested to setup your account.
 - Once you click the save profile button, you will have to go back and approve that the system fixed your address according to the specifications of the US Postal Service. (This is a small check box that will be above the boxes where you supplied your address.)
 - Click save profile.
5. Be sure to write down your username that will be given to you at this point.
6. If you are not on the My Applications tab, you will want to go here next.
 - Click on Start a New Blank Application.
7. Click on create a new 2 year college admissions application.
8. In the drop down box next to Target College, choose Frank Phillips College.
9. You will then be asked if you are applying for Dual Credit or Early Admission, please choose yes.
10. From this point on, answer the questions that are asked.
11. Make sure you click the Submit Application button.

Congratulations, you have applied to FPC!
