---

All drivers of a vehicle entry float must be at least 18 years of age and will be required to provide a copy of a valid Texas Drivers License along with their vehicle parade registration.

All participants will provide a description of the vehicle, which will be driven in the parade. Motorcycles, four wheelers, any kind of off road vehicle will not be permitted.

Parade entries must be structurally sound and safely designed. The main platform must have no holes or hollow areas where someone could fall through. All standing persons must have something on which to hold (i.e, a railing, pole, handle, etc.) or they must be seated at all times.

The number of people riding in vehicles shall not exceed the number of people the vehicle is designed to carry (i.e., the number of seat belts in the car). Too many people riding in the car will result in the vehicle being deemed unsafe and will result in the elimination of the car unless revisions are made.

## *2019*

---

No one will be permitted to ride on the roof or hood of a moving vehicle. (convertibles are exempt)

All parade entries should take note of the parade route. Your vehicle must be able to make the required turns the route dictates.

Any decorations or debris falling off the parade entries should be picked up by the organization and not left to litter city streets. This includes the Cornerstone Christian Church and Borger High School student parking lot AND the TEX HANNA GYM!

Drivers must be aware of spectators and other parade entries. Parade entries must maintain appropriate distances (one car length) from the entry in front of them. Large gaps between entries can pose a safety hazard as well as following too closely. No vehicle in the parade shall stop en route to load or unload passengers.

Any participant who violates city, county, or state ordinances or creates a public safety hazard will be referred to the appropriate authorities.
