

Supplies:

- Paper and a three-ring notebook or folder so you can organize your work and notes (Spiral notebook can be substituted but ensure paper can neatly be removed).
- Pen or Pencil
- Graphing calculator – A TI-84 CE will be provided for use during class but not for take home use.
- Limited TI-83/TI 84's available for checkout daily.

Course Activities:

In general, the following activities will be assigned to accomplish the course objectives.

- Daily worksheets, activities, online assignments etc.
- Quizzes
- Tests

Course Evaluation:

- Students will receive instruction for each assignment while in class. Sample problems will be solved, and then students will complete assignment worksheets from which their daily grades will be taken. Grades will not be taken every day from worksheets; this will only be done periodically. Not doing homework will result in lower assessment grades since you will not have practiced the standards.
- Student class work and homework will be continually monitored and evaluated throughout the course and recorded numerically by the following scale:

| | |
|-----------------------------|------------|
| Grading Percentages: | |
| Daily work | 40% |
| Quizzes | 35% |
| Test | <u>25%</u> |
| | 100% |

Late work:

- Late work will be initially documented as a zero. Maximum grade for late work will be 50% of original.

Test and Quiz Policy:

- Students will be allowed a single 3-inch by 5-inch notecard for formulas on quizzes and tests.

Retest Policy:

- No retakes and/or corrections are allowed for Pre-AP.

Student Responsibilities

- Students must abide by the BHS Student Code of Conduct.
- Disruptions will not be tolerated.
- Bring your own supplies every day.
- Students must do class work during class time when class time is provided.
- The **suspicion of cheating** will result in the collection of the student's paper, and a **zero** will be recorded for that assignment or test.

Possession and Use of Personal Telecommunications Devices, Including Mobile Telephones:

- For safety purposes, the district permits students to possess personal mobile telephones; however, these devices must remain **TURNED OFF DURING THE INSTRUCTIONAL DAY, INCLUDING DURING ALL TESTING**. A student must have approval to possess other telecommunication devices such as notebooks, laptops, tablets, or other portable devices.
- The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.
- If a student uses a telecommunications device without authorization during the school day, the device will be confiscated. The parent may pick up the device from the principal's office for a fee of \$15.
- Confiscated telecommunications devices that are not retrieved by the student or the student's parents will be disposed of after the notice required by law. [See policy FNCE.]
- In limited circumstances and in accordance with law, a student's personal telecommunications device may be searched by authorized personnel. [See Searches on page 94 and policy FNF.]
- Any disciplinary action will be in accordance with the Student Code of Conduct. The district is not responsible for damaged, lost, or stolen telecommunications devices.

PAP Algebra 2 Topics include:

- Inverse Functions
- Systems of Equations & Inequalities
- Matrices
- Polynomials & Polynomial Graphs
- Factoring
- Exponents & Exponential Functions
- Rational Expressions
- Rational Equations
- Radicals
- Complex Numbers
- Quadratics & Quadratic Functions
- Square Root Functions
- Cubic & Cube Root Functions
- Absolute Value Functions
- Logarithms
- Quadratic Relations – Conic Sections
- Trigonometry functions
- Sequences & Series

Miscellaneous Information:

- When a student is absent, he/she is responsible for obtaining and completing the assignments. For each day of absence, students are given the same number of days to complete their assignments. The late policy will go into effect if the make-up work is not submitted on time.
- If a student is absent for a school related activity (any extracurricular activity) it is their responsibility to obtain the work **PRIOR** to the absence date. School related activities do not receive extra days to make up the work assigned.
- The teacher will keep all tests and quizzes on file. Students are responsible for all other work. If a parent would like to see their students test or quiz they may come see Mr. Hodge and go over the test with him.
- Students are allowed to work with partners/groups when completing activities. Daily assignments should be completed individually.

Tutorials: 745:-8:15 or 3:50-5:00 or by appointment.

Conference Periods:

- Liaison – 3rd Period (10:04-10:52)
- Instructional – 8th Period (3:02-3:50)
